

Meet your candidates

Colin Aebig

For Town of Rosthern Councillor

I welcome the challenge of letting my name stand for Councillor for the Town of Rosthern 2024 Civic Election.

I feel my greatest asset is my ability and dedication, to put in the work, in order to be successful while serving on Council, just as I have in the past 5 years in this capacity.

We in Council have achieved many projects in the past but I believe our greatest challenge is about to begin. With the new Water Treatment Plant, expansion of well fields, the new Hospital and continuing the improvements to our streets will all prove to be challenging.

If you have any concerns, please find me and we can have a discussion, share ideas and then hopefully a solution can be found, that best fits our fine community, we all call home.

If elected, I look forward to represent the citizens of Rosthern in many capacities.

Colin Aebig

2024 Municipal Election
