Cameron Brown

For Town of Rosthern Councillor

Originally from British Columbia, Cameron Brown married a local Saskatchewan girl and made the decision to make Rosthern home 8 years ago to be closer to his wife's family. He and his wife Kimberly, owner of Solara Massage Therapy, have 3 children, one off to University next year and 2 in high school at RCS, so Cameron brings a working family perspective to everything he does. He is the

Technical/ Sales Representative for Soprema Inc. in Saskatchewan, a world-renowned manufacturer of building products. Initially a Red Seal Roofer by trade (journeyman), and now strongly versed in client and employee relations as well as large scale projects, Cameron believes balance is key to maintaining our small town charm while navigating inevitable growth. In his off time, he has experience in volunteer firefighting, coaching kids' sports, and served as a Mixed Martial Arts Instructor.
