

Meet your candidates

Kate Kading

For Town of
Rosthern Councillor

Kate Kading has 25 years experience in Media and Communications, current government relations, board chairing skills, and deep municipal knowledge. She spent 4 years on Rosthern Town Council (2016-2020) and filled a temporary position within the Town of Rosthern municipal office, lending her historical background, bylaw writing, and legislation interpretation. After that, she was elected to Prairie Spirit School Board and has served as the vice chair there for the last 3 years,

building relationships within the division and with sitting government on both sides of the Legislative Assembly. She believes strongly in local representation, collaboration, and making sure your family's voice is brought to the table. Kate writes crime books, lives for good coffee roasted right here in Rosthern, advocates for shopping local, cooks for her family of gentlemen, and has a corgi that matches her energy perfectly. She would be honoured to bring another female perspective to Council.
