

# Meet your candidates

## Brett Knoll

### For Town of Rosthern Councillor

I have lived in Rosthern for the majority of my life. My three children were raised and educated in Rosthern and love the Town as much as i do.

After graduating from RHS I earned my Diploma in Mechanical Engineering Technology and obtained my Applied Science Technology designation. I am currently working as a quality Assurance/ Quality Control Manager fir Ram Steel Ltd. In Saskatoon. Some of my experience includes design management, quality control, inspections (shop/site fabrication and installations for equipment and piping) and scheduling.

I believe in being an active part of the community. Volunteering is very important to me. I am currently the head coach of the Valley Vipers girl's softball team based in Rosthern. I have coached minor hockey teams, was the president of the Rosthern Minor Hockey Executive for 8 years and served 1 year as the Sask Valley Minor Hockey Leagues President. I also coached high school curling.

Rosthern is a great Town, full of opportunities and i hope to continue helping build our community as a member of Town Council
