Lucius Marten

For Town of
Rosthern Councillor

I have lived around Rosthern for 34 years. My wife, one child and I have lived in Rosthern for 8 years.

I have worked for the Town of Rosthern for one summer which has allowed me to learn lots of things about the Town. So I would be good for Council to help build the community so that everyone can enjoy. I operate a lawn care business in the Town of Rosthern and I would be able to talk to you.
