

Meet your candidates

Jason Peters

For Town of
Rosthern Councillor

My Family and I have been residents of Rosthern since July of 2013. In 2022 we started a small business called Rosthern Storage. I am wanting to join Town Council to help provide input and direction for the Town of Rosthern as we will be seeing a lot of new growth and development. I feel I can bring a lot of knowledge and experience as a retired Police Officer, business owner and a employee of a large firm and trucking company. I look forward to working with fellow Council members, Town employees for the benefit of the residents of Rosthern.
