Audrey Watson

For Town of
Rosthern Councillor

I am excited for the opportunity to run for Rosthern Town Council.

A little about myself, my husband and I have lived in Rosthern for 35 years. We owned and operated Friesen's Bigway for 16 years. We retired 4 years ago from the grocery business. I also was a private piano teacher for over 35-years.

I am proud to be a resident of Rosthern and I feel I would be an asset on Council. I have served on various local and provincial boards, including music festivals, Saskatchewan Registered Music Teacher's, and Church Council.

I look forward to the exciting possibilities of growing all aspects of our beautiful Town.
